COMMUNICATIONS TRAINING & CRISIS COUNSEL

SERVICES

SHELTON & CAUDLE

Shelton & Caudle is the country's premier provider of customized public relations training programs and crisis counsel including executive media training, crisis communication programs, presentation coaching and issues management. Whether it's an interview with a reporter, an encounter with a group of concerned citizens, response to an industrial accident, dealing with unwanted attention online or speaking with prospects at a trade show, every personal encounter offers the opportunity to communicate a message that helps advance your organization's overall business objectives.

“ We've seen great value in having our executive and front line managers participate in crisis communication and media training with Shelton & Caudle. ”

- Michael Rosen, Director Corporate Communications, Air Liquide USA

The professional trainers at Shelton & Caudle have decades of combined experience as reporters, speech writers, network news producers, press spokespersons, executive coaches and more. Our individualized programs offer a focused experience for our clients and save time and money by requiring only one day away from the office. And because Shelton & Caudle conducts crisis and media training to more than 400 executives each year for companies in a wide range of industries, its professionals are well honed to respond when actual crisis or issues occur.
